

PRODUCT	3M SCOTCHSHIELD™ ULTRA SAFETY & SECURITY FILM
APPLICATION	EMBASSY OF THE UNITED STATES OF AMERICA, ACT, AUSTRALIA

3M were very proud to have their 3M Scotchshield™ Ultra Safety & Security Film selected for the US Embassy, Consulates and Residences in Canberra, Sydney, Melbourne and Perth. As part of a global contract, films from various manufacturers were evaluated and tested by the United States Department of State. 3M Scotchshield™ ULTRA600 Safety & Security Film was the film chosen to provide maximum protection for the United States Embassy employees and facilities in Australia.

3M provided all United States Embassy, Consulates and Residences with

- 3M Scotchshield™ ULTRA600 Film
- Film Installation to all windows
- Local 3M management of the entire process and project

3M Scotchshield™ ULTRA600 Safety and Security Window Film

- Reduces the danger for people and property from flying glass in the event of terrorist attack or bomb blast
- Protects against serious injury from broken glass
- When applied to toughened glass holds the glass together if it spontaneously shatters
- Tested and conforms to AS/NZS 2208: 1996 Safety Glazing Human Impact Considerations
